40 cartelas | 4 x 4 | 32 cartas de chamada

COMO JOGAR

Projete o mapa ampliado; leia uma rota inteira sem revelar o destino. O aluno segue o percurso e marca o lugar na cartela.

1. Entregue uma das 40 cartelas a cada aluno; ha 16 respostas em cada uma.
2. Embaralhe as 32 cartas de chamada. Nao leia o gabarito ao chamar.
3. O aluno marca apenas quando encontra a resposta; ausencia na cartela e normal.
4. A primeira linha horizontal ou vertical completa vence. Em empates, valide todos.
5. Teste a impressao A4 em preto e branco antes da turma; use o apoio de projecao em tela grande.

MEDIAÇÃO

Observe se o aluno identifica ponto de partida, direcao e numero de quadras. Peca que explique o trajeto no mapa.
